Keota Elementary Newsletter

KEOTA COMMUNITY SCHOOL DISTRICT
A: 505 N. Ellis St. Keota, IA 52248
P: 641-636-2323

--Spring has sprung! We are excited the weather is finally turning. We have A LOT of lost and found items and are trying to have students look through to see what is theirs. If you are in the building, please go through to see if you recognize any of your child's belongings.

--Our state testing is completed! Students did an outstanding job of adapting to the new format for the tests. We will not receive results until next school year. The Department of Education has not given us a specific date. We will communicate as we hear more.

--Influenza has made its way around this past week. Please be cautious if you see signs/symptoms. Also a reminder to continue checking your child for head lice on a regular basis. Please remember to call in students to the office if they are absent.

Weekly SOARR WINNERS!!

K- Lucas B.

1st- Ade B.

2nd- Jaron J.

3rd- Tyson O. & Ella G.

4th- Cooper S.
