Katrina Weber: A Smile to Remember

parents are that they are hardworking and determined. Her favorite family memory is going to UNI's homecoming, because they do it every year.

As a child, Katrina imagined herself as a teacher, because she looked up to her mother, who was a teacher at that time.

An accomplishment that Katrina is proud of is being accepted to National Honor Society. While attending Keota High School, Katrina has been involved in Band, Chorus, Model U.N., Basketball, Volleyball, and EagleRock! Katrina stated that Model U.N. is her favorite, because, "It was fun to go to conference and participate in debates."

Katrina's hobbies consist of watching movies and listening to music. The three words that she thinks fit her best are hard working, friendly, and quiet.

Ten years down the road, Katrina sees herself working at a good job. She believes she possesses the determination to get her there. When asked what three things she hopes to accomplish in her lifetime, she

stated, "Graduate college with a degree, get a good job, and start a family."

Katrina will be attending AIB in the fall to major in Accounting. Her favorite class at KHS is Accounting. "I enjoy what I do in class and it is taught well," she said.

When asked if she had ever made a decision that peers would look up to, she replied, "I have not been involved in drugs or alcohol." Katrina would like to be remembered as a good student who made good decisions when she leaves KHS.

When asked how they would remember Katrina, Mr. Snakenberg, her teacher, said, "Katrina is an exceptional student and has always been willing to take on tough challenges and push herself academically." Emily Baetsle, a peer, said, "She is always smiling." Mrs. Baker, KHS math teacher, said, "Katrina is a good math student with a great sense of humor and a good smile."

Katrina's favorite high school memory is hanging out with Kayla, Britney, and Bryanna. When asked what she will miss most about KHS, Katrina replied, "My friends and the teachers that helped me."

To future seniors, Katrina would like you to remember to enjoy your year, work hard, and have fun.
