

# KEEP RURAL SCHOOLS GROWING!

Let's work together to keep rural math and science programs growing. Back for a fourth year, America's Farmers Grow Rural Education encourages farmers to nominate their local school districts to apply for a grant of up to **\$25,000.**

**OVER  
\$7 MILLION  
AWARDED**

Since 2011, America's Farmers Grow Rural Education has awarded over \$7 million in grants to over 500 rural public school districts.

Nominate your local school district January 1 through April 1, 2015. Visit [GrowRuralEducation.com](http://GrowRuralEducation.com) or call 1-877-267-3332 to participate.

# MORE WAYS TO MAKE A DIFFERENCE

## AMERICA'S FARMERS GROW COMMUNITIES

Offers farmers an opportunity to select a local nonprofit organization to receive a \$2,500 donation from the Monsanto Fund. Donations support 4-H clubs, FFA chapters, schools, fire departments, food pantries and many more.

## AMERICA'S FARMERS GROW AG LEADERS

Helps keep youth in agriculture by raising awareness of the diverse career opportunities in the industry and by providing scholarships that enable students to further their education in agriculture, preparing them to be future leaders.
