## AMY'S RIDE OF THE WEEK

BY MIRANDA ROMOSER

This week's ride of the week's Amy Hemsley. Amy is rolling around in a brand new blue 2015 Chrysler 200 with a 3.6 liter V6 24 Valve VVT Engine. Amy got this car in August of 2014.

She enjoys her new car because it is brand new and fast. She said that the top speed is 90 mph. When asked what she paid for it she replied, "too much." But the price she paid was worth it in the end when she received heated seats, a heated steering wheel, and a computer screen.

Amy's dream car is a Shelby Mustang. She has had some good and bad memories with this car. A good memory would be when she traveled to Georgia with Nathan and her mom. She has had only one bad memory with this car, which was when Nathan slid in to a retaining wall with it in Des Moines.

Now it's time for you to decide, is Amy's ride worthy of being called the next Ride of the Week?

## RANDI'S ROLLIN' TOWARDS SUCCESS

BY BAILEY BEINHART

Miranda Joan Romoser, also known as Randi, was born and raised in Keota, Iowa. Miranda was brought into the world by Robert and Mary Beth Romoser on August 23, 1996. Miranda has three older siblings: Tyler, Matt, and Kayla.

Miranda admires her family because they are very hard working people. One of their favorite family activities would be going to Kansas City Worlds of Fun, and also Oceans of Fun. One of her favorite birthday memories was when she went to Sunset Park in Washington. Her least favorite memory was when she burned her hand on her birthday candles.

When Miranda was younger, she imagined herself as a teacher. While in high school, Miranda has been involved in 4-H, FFA, CYM, Basketball, Volleyball, County Council, and DARE Captain. Miranda enjoys 4-H, FFA, and County Council the most. She feels they have given her the skills that she needs to be successful in life.

One of her accomplishments is being a top fruit salesman all four years of high school. After high school, Miranda plans on majoring in Elementary Education. She chose teaching because she loves working with children.

She sees herself in ten years teaching, married with kids, and living on the country on a farm.

Three things she wants to accomplish in her lifetime are to graduate, have a successful career, and have a happy family. Miranda will miss her classmates most at KHS.

The class that she has enjoyed most at KHS would be Mrs. Snakenberg's, because "she is a fun and energetic teacher who is able to relate to us, and she is very helpful." Personal Finance is the class that has prepared her most for life because it has given her life essentials.

Miranda's pet peeve is when people who are out of high school talk smack about people in high school, especially when they are not held accountable. Her hobbies include showing cattle and swine, and also riding 4-wheelers. Miranda's duties at home include folding towels, laundry, and working on the farm. From these responsibilities, Miranda has

learned to be hard-working and to get everything done right the first time.

Three words Miranda uses to describe herself are caring, outgoing, and hardworking. Desi Hesselstine, one of Miranda's fellow classmates, said "Miranda will always be remembered by her laughter that fills the hallways."

After she leaves KHS, she would like to be remembered as a strong, independent person. Miranda's advice for future KHS seniors is to make every day count!
