IVES WRAPS UP A GREAT WRESTLING SEASON

Nick Ives gets a Varsity pin.

Wrestling Night

That's a win!

Freshman wrestler Nick Ives takes down his opponent.

Nick Ives is the lone wrestler hailing from the school of Keota. He is able to participate in this sport by being a part of the Sigourney wrestling team. He wrestles varsity during the week, but goes to JV tournaments on the weekends.

He commented, "Our coaches really want us to gain experience, so they have some of the younger kids wrestle both varsity and JV."

While Nick started out wrestling at 127, he moved down to the 120 class. His overall record for both varsity and JV is 11-18. When asked what he thought about the season so far, Nick replied, "It has been going good, and I am excited about sectionals. I am not expecting a lot from them, but it is a really good opportunity for me to progress as a wrestler."

Nick will wrestle in sectionals on February 7 at BGM.

TRISTAN IS TRUCKIN' TOWARDS SUCCESS

BY MAITLAND SIEREN

Tristan Mark Roehrig was born on May 19, 1997. He is the son of Tara Roehrig and the late Luke Roehrig. Tristan also has four other siblings: James, Austin, Jesse, and Ashley. Tristan's

favorite family tradition is playing board games together. Tristan enjoys bow hunting when not spending time with his family. An accomplishment he is proud of is coming in first place at state for bow shooting.

After high school, Tristan is attending Vermilion Community College in Ely, Minnesota. He chose this college because he liked the location of the school and it is where his dad went to college. In ten years, Tristan sees himself working for a national park, owning land in Minnesota, and raising a family.

Two things he wants to accomplish in his lifetime are to own acreage in Minnesota, Iowa, or Wisconsin, and have a family with two to three kids.

When Tristan graduates from high school, he will miss seeing his friends and classmates most. Out of all the classes Tristan has taken, Metals and Construction taught by Mr. Striegel has been his favorite, because "Striegel always made the classes fun," says Tristan. The classes that have been his favorite are Metals and Construction and English, because they all have taught him things that he needs to know later in life.

When Tristan leaves KHS, he wants to be remembered as friendly, kind, and helpful. Being helpful should not be too hard for people to remember, because he has many responsibilities at home. These include watch-

ing his younger brothers before and after school. He also helps around the house as much as he can. In his free time, Tristan enjoys fishing, hunting, and camping. Tristan's advice for future graduating seniors is: "Keep on going, you are almost done with high school!"

EAGLEROCK! IS HEATIN' UP

BY MAITLAND SIEREN

EagleRock! kicked off their contest season on Sat., Jan 17th. Their first competition was at West Branch. The group achieved first place in the 1A Division along with the People's Choice Award. This year's group has worked hard to get to where they are. Mrs. Edwards says she is proud of all the hard work they have put into their show.

Senior Maggie Baker said, "It's really fun this year because I'm a senior and I get the chance to be a leader to the underclassmen and prepare them for the future."

Due to the snow storm, State Show Choir in Keota has been moved to this Thursday (Feb. 5). EagleRock! will take the stage at 4:25 p.m. Then on Sat., Feb. 6 they will perform at West Liberty.

The Eagle's Wing Staff wishes EagleRock! the best of luck in the rest of their season!

7TH GRADE FUTURE CITY

BY DESI HESSELTINE

The 7th grade ELP students participated in the Future City Competition in Cedar Rapids on Sat., Jan 24 at Prairie Point Middle School. In preparation for this big event, students wrote an essay, a narrative, developed a virtual future city on the computer, built a model (pictured above), and also performed a skit for the judges. Students that participated are pictured above from left to right: Bailey Baumert, Jarrod Holderness, Anna Duwa, Kendall Wilson, Jaime Schulte, Taylor Conrad, and Jake Ives.

WELCOME ESTHER

BY MIRANDA ROMOSER

Pictured above are proud parents, Mr. and Mrs. Snakenberg, holding their new baby, Esther Angela Snakenberg. She was born on November 25, 2014 at 1:52 a.m.

As many of you may already know, Mr. and Mrs. Snakenberg, the History and Business Education teachers here at KHS, recently became proud parents.

Esther Angela Snakenberg was brought into the world on November 25, 2014 at 1:52 a.m. She weighed a whopping 6 pounds 15 ounces and measured 20 inches long. Mr. Snakenberg said, "We are very thankful that she is so sweet and such a well behaved baby."

Keota High School would like to welcome Esther Snakenberg to the KHS family.

RIDE OF THE WEEK

BY MIRANDA ROMOSER

This week's Ride of the Week features Bailey Beinhart in her stylish 2006 White Chevrolet Impala LT. This car has a whopping 3500 V6 Engine with the top speed at 140 mph and 135,250 miles on it. Bailey received this car a few months ago from her Granny as a gift. She hasn't previously owned any other cars.

She likes this car because it's comfortable and is a good car to "chill and jam" in while driving. Her radio presets in her car consist of anything that is on her iPod. She can legally and comfortably fit six people in her car. She travels quite often to Williamsburg to where she works, along with her many road trips to Iowa City with her friends and family.

Bailey has only had one bad memory in this car and it was with Desirae on their way to Academy when it was icy. She has had multiple good memories in her car.

Now it's time for you to decide: Is this car worthy of being this week's Ride of the Week?
