MEET MRS. WOLF

BY MADI SIEREN

The beginning of this school year brought a new FACS teacher and Guidance Counselor to Keota Jr./Sr. High School, and she has big plans for our future.

Twenty-six years ago, Mrs. Lori Wolf became a Family and Consumer Science teacher. Two years later, she decided to become a Guidance Counselor as well. She has a lot of teaching experience. She comes to us from Harmony Community School District. Mrs. Wolf's educational background is unique, including two different Master's degrees from two different schools. She received her first Master's degree from UNI and her second was from Drake University.

Mrs. Wolf lives just a breeze away from Keota in Deep River. She has three children: Charlie, Adam, and Thomas, who have all graduated. She is also supported through this new journey at Keota by her loving husband, Mr. Donald Wolf. She says that her greatest inspiration was her FACS teacher, who she dearly loved.

Mrs. Wolf is very impressed by the test scores of all the students here. When asked what her goal is for the students at KHS, she replied with, "I would love to see all the kids attempt secondary education." Her favorite memory of Keota was when her son played for SK in 2005 when they won the State Championship. One of Mrs. Wolf's least favorite experiences at Keota so far this year was "all the messed up scheduling" she had to figure out at the beginning of the year. She plans on getting to know the Keota community by attending as many extracurricular activities as possible.

When asked what she thought about her teachers in high school, her response was, "They were all pretty smart cookies and inspired me to be the teacher I am today." Also, when asked what she would change about her high school self, she said, "I would have gone out for basketball, because that is one sport that I love."

Mrs. Wolf loves Keota and said, "I really feel at home at KHS. Everyone has been so nice and welcoming to me." KHS is proud to welcome this new addition to the community, and we look forward to getting to know her throughout the school year.

Each week, we ask a Senior the same question they were asked for the Question of the Week when they were in 7th grade. Let's see how their responses have changed over the years...

I got an "F" and got no TV and was grounded.
