## HANNAH REED IS READY FOR HER FUTURE

BY MAITLAND SIEREN

Hannah Lynn Reed was born on July 30, 1996. Welcoming her home were her loving parents, Mark and Robin Reed, along with two older sisters, Sheila and Leah. Hannah's favorite family activity is going on the Coon Hyde Hunt with her dad. Hannah admires

her parents because they are hard working people and would do anything for her. Young Hannah used to imagine herself as a nurse when she grew up. An accomplishment Hannah is proud of is making it to the state contest in Soil Judging.

Throughout high school, Hannah has been involved in basketball, volleyball, softball, Model U.N., FFA, EagleRock!, chorus, drama/musicals, CYM, speech, and track. Speech has been Hannah's favorite activity, because it gave her many different opportunities. After high school, Hannah is attending Kirkwood Community College for Special Education and Psychology. Hannah chose this major because she

wants to help kids who have trouble learning. In ten years, Hannah sees herself teaching at a good school. Hannah works well with people and she believes that will help her towards that goal.

Three things Hannah would like to accomplish in her life are to graduate college, have a good career, and start a family. Hannah's favorite high school memory was when she and the senior class got detentions for being on the deck during class and ran away from Andrea. After high school, Hannah will miss seeing her classmates every day. Out of all the classes she has taken, Recent American History has been her favorite, because there were many fun

activities in the class that helped her learn better. She also believes English 12 has best prepared her for the future, because Mrs. Conrad taught her how to write important things such as resumes. When Hannah is not busy with school and activities, she enjoys reading, watching movies, and spending time with friends. Hannah's advice for future graduating seniors is, "Get your homework in on time, otherwise it will bite you in the rear."

## MODEL U.N. HEADS TO UNI

BY SIERRA LYLE

On April 16 and 17, eight students went to the UNI campus to participate in Model U.N. There were four seniors (Grant Hill, Maggie Baker, Madison Sheetz, and Sierra Lyle), three juniors (Alyssa White, Bekah Fagen, and Mariah Lyle), and one freshman (Luke Greiner).

The students imitated the United Nations and used parliamentary procedure to find resolutions for issues around the world. When asked about the trip, Mr. Snakenberg commented, "It was a wonderful experience for the delegates, and I was pleased to see the level of participation from the students. I am looking forward to future years!" Grant Hill represented as Keota's head delegate. He replied, "It was a great trip! The other students and I had a blast, and we really tried hard to compromise with other countries!" The students came representing the countries of Canada, Saudi Arabia, and Ethiopia.

## BLAST FROM THE PAST

BY MADI SIEREN

### HOW WILL SENIORS RESPOND THE SECOND TIME AROUND?

Each week, we ask a Senior the same question they were asked for the Question of the Week when they were in 7th grade. Let's see how their responses have changed over the years...

#### JOHN MATHER

Q: What's your favorite thing to do on the weekend?

7th: Chilling at the Weasel Den or getting together with my boys Shane and Matthew and watching Chocolate Chukka.

12th: A: Go golfing with Colby and Brooke and other activities at night time with friends.

## RIDE OF THE WEEK

BY BAILEY BEINHART

This week's ride of the week is Jacob Moeller. He is now the owner of a 2002 silver Mitsubishi Lancer with a 16-valve engine. His car has 206,895 miles on it. Jacob has many good presets on his car, 104.5, 102.9, 107.3, 100.7, and 98.1. He got his car from Ann Davis for five hundred dollars a few Fridays ago. His car has a specialty of power windows. He likes his car because it is easy for him to drive. Jacob can fit five people in his car at one time. The top speed of his car is 120 mph. A good memory Jacob has in his car is when he got to drive it home from when they got it. As of right now, Jacob does not have any bad memories with his car. If he could pick a name for his car, it would be The Moeller Mobile. He travels to the golf course and school the most. So far, the furthest The Moeller Mobile has been with Jacob is Keota.

Now it is time for you to decide, is Jacob's Mitsubishi worthy of being this week's Ride of the Week?
