JUNK OR JEWEL

BY JACE UPHOLD

This week's Junk or Jewel is Cole Brenneman's 2014 GMC 2500 HD Duramax. Cole's truck has 79,500 miles on it and has a 6.6 Allison engine. Cole's truck is silver on the outside and has a black leather interior. Cole's truck can get 16 MPG. The presets in Brenneman's truck are XM2, XM36, XM37, XM56, XM57, and XM80. Cole got his truck three weeks ago and likes to drive all over the place with it. If Cole could give his truck a name it would be "Dirtymax" and his favorite thing about his truck is the aftermarket radio.

Now it's time for you to decide - is this car junk or jewel?

ZACH ATTACKS HIS FUTURE

BY JACE UPHOLD

On March 5th, 1998, Zachery Michael Mousel was brought into this world. Zach's favorite childhood memory was riding four wheelers and camping with his cousins. His parents are Kelly Mousel and Charles Mousel and his siblings are Brittany Hammes and Riley Mousel. Zach's favorite family vacation was going to Disney World with all his family and cousins. Something Zach rally admires about his family is that they demonstrate strength and perse-

verance. When Zach was young he always dreamed about becoming an athlete in the NBA, NFL, and MLB. An accomplishment that Zach is proud of is going to State basketball and playing. Zach has been involved in many extra-curricular activities, such as speech, football, drama, basketball, track, golf, baseball, Student Council, and DARE. His favorite extra-curricular activity is basketball, because he loves the sport and the memories he has made because of it.

Zach's plan for after high school is to attend the University of Iowa to major in Engineering. He enjoys solving problems and building things. In ten years, Zach sees himself working somewhere around Keota with a nice house and a family. Zach possesses many qualities that will help him reach his goals. He says he is a very hard worker, very competitive, and he likes to push himself to become a better person. Zach's main three things

that he would like to accomplish in life are to be happy, inspirational, and a good father and husband.

Zach's favorite high school memory is "Teepeeing after Anything Goes with his friends." Zach's favorite moment throughout his high school career was getting selected as a member of National Honor Society and seeing that all of his homework didn't go unnoticed.

After Zach graduates, he will miss sports and his friends the most. The class he will miss the most is Recent American History, because it was interesting and fun to go to. The class that has prepared him most for life was Government, because "it taught valuable skills that I will need in college and it informed me about current issues going on and how they should be approached."

Zach's worst pet peeves are when people break promises or are hypocritical. He currently works at his uncle's sawmill, where he stacks boards and sweeps. Zach's

favorite hobbies are playing sports and hanging with his friends, because they are fun and entertaining.

Zach describes himself as a good student and athlete. He hopes to be remembered as a hardworking student and a nice person. When Zach's friends at KHS were asked what they will miss the most about him after he graduates, sophomore Jacob Moeller said, "I will miss filming Zach in basketball." Fellow senior, Megan Hill, said, "I will miss having classes with him and joking with each other."

Zach's advice for future KHS seniors is "high school is your last chance to take advantage of your limited responsibilities, so enjoy it before it's gone." We wish Zach the best of luck in his future.

KHS ATHLETE OF THE WEEK

BY AVERY CONRAD

This week's Athlete of the Week is sophomore Riley Conrad. Riley has been busy golfing and is looking forward to golfing as much as he can when he can this season. Riley is the one of the best golfers on the team and is trying to improve on his chipping, because he says that it's crucial to doing well on each hole. His goal is to win at least one meet this year.

When asked if he has a saying or motto he replied, "Don't get mad." Riley says that the more frustrated that you get, the worse you do. Riley likes the relaxed atmosphere of golf the most. He says that the calming nature of the game is what draws him to it.

Riley can be found on any given day of the week getting in a good round of golf out on the Keota golf course. We look forward to following Riley this golf season and wish him the best of luck.
