Dear Keota Community School Supporter,

Its back to school time, and with it the start of what promises to be another great sports year at KHS. The Keota Athletic Boosters made many improvements to our facilities this last year, including painting the varsity & junior high gyms and weight room, and purchasing new equipment and laying new flooring in the weight room. This upcoming years projects include hanging new banners for state qualifying teams / conference championships for the varsity gym, and adding another terrace for baseball / softball seating as well as a new softball scoreboard due to the new multi-game conference schedule. We are also hoping to update locker rooms, adding netting in the ball complex for safety, security cameras, and are considering some motivational speakers. Friend Us on Facebook: **Keota Booster Club** for more about projects and other updates!

We would appreciate your support with these new projects and our regular expenses which are listed on the backside of this letter. **NEW THIS YEAR! WE WILL BE FEATURING EVERYONE THAT BECOMES A SPONSOR ON A BANNER TO BE HUNG IN THE VARSITY GYM.** YOU MUST RETURN YOUR FORM BY OCT 1 TO APPEAR ON THIS BANNER!
