SENIOR SPOTLIGHT: KAYLIN SWANSON

BY KYLEA TINNES

Kaylin Mae Swanson was born August 28, 1999, the first born to her proud parents Scott and Jennifer Swanson. Kaylin has two younger sisters, Addison

and Alaina. Kaylin adores her family, because of their strength and how hardworking they are. Her favorite family vacation and favorite childhood memory is going to the Ozarks with her family and friends.

When Kaylin was younger, she dreamed of becoming a Cosmetologist someday. Now today, as a senior at KHS, she is planning on majoring in business to go into real estate. In ten years, Kaylin plans to have a job, a family, and own a house. She thinks that the three qualities that will help her get there will be her determination, her focus, and her confidence.

Among her friends, Kaylin often times goes by the nickname "Karen." While attending KHS, Kaylin has been involved in vol-

leyball, softball, golf, FFA, basketball and speech. Out of these extracurricular activities her favorite has been golf, because "it was fun and not too serious," she says. One of Kaylin's favorite high school memories has been the Anything Goes event during homecoming week. She has enjoyed doing games as a class during this event.

Kaylin's favorite class at KHS has been Accounting with Mr. Nederhoff. When asked why she explained, "because I enjoyed what we did and Mr. Nederhoff was a great teacher." The class she thinks has prepared her most for life was Personal Finance, because it has prepared her for the financial world and for her future profession in business.

Kaylin's hobbies and interests

include watching Netflix, boating, and hanging out with her friends. After she leaves KHS, she plans to go to college and major in business or?

Kaylin will be remembered for her radiant smile and her sense of humor. Her advice to future seniors is "Enjoy it while it lasts." We hope she has an amazing rest of her senior year and we all wish Kaylin the best of luck as she moves forward in her next steps of life.

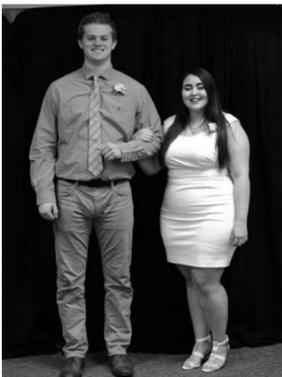

HOMECOMING GAME

BY AVERY CONRAD

This year's homecoming games were hard fought for by both of the Keota basketball teams. The Keota girls challenged the Tri-County Trojans every play and never gave up, but sadly fell to the Trojans 43-24. The girls are on a mission this year trying to capture their first victory of the season. They have improved every game and are getting closer and closer to capturing that win. The Keota boys are also on a mission themselves hoping to make a run as districts are fast approaching. The Keota boys beat the Trojans 76-38, with senior Cole Stout capturing 30 of those 76 points and the school record for the most three pointers made in a game, with nine total. The boys have had a great season so far, with a 14-3 overall season record. They, along with the girls, have a tough schedule in front of them and are hoping to make it as far as they can this season. We hope to see more great things out of the Eagles this year. Good luck, and GO EAGLES!

#1 EAGLE FAN

BY LAUREN IMHOFF

Pictured in the center is Andrea Striegel, Keota's #1 Eagle Fan for 2017.

Every year during homecoming, a member from our community is chosen to be the #1 Eagle Fan for their outstanding support of the students and community. This year, the #1 Eagle Fan is Keota native, Andrea Striegel. Andrea has worked for Keota Community School District for 34 years, while also being a student here at one time. Andrea does many things behind the scenes that many of the students and maybe even faculty members don't realize. From putting together transcripts, to reading the morning announcements, Andrea does it all. Andrea says her favorite homecoming activity throughout the past was seeing the kids put together the lip sync. "It was a cool experience to see the kids come up with songs and dances all on their own, without the adults heading it up." You can find Andrea at all the basketball games, speech events, and so much more. When I asked Andrea what her reaction was to being what some would call one of the greatest honors in this community, she said that she was "a little surprised. The #1 Eagle fan is almost always someone in the community or retired, but I was very pleased and honored with the opportunity." Thank you Andrea, for your years of support to the Keota students and community.
