JUNK OR JEWEL

BY LAUREN IMHOFF

This week's Junk or Jewel features sophomore Preston McDonald. Preston drives a 1995 Honda Civic. Preston said his favorite memory in his car would be jumping it going 80 mph. You can see Preston driving "Power Stroke" around Keota and Washington most frequently. When asked why he named his dark green car Power Stroke he said, "I named it Power Stroke because it's a piece of crap." With a solid 300,000 miles and a V8 Engine, Preston travels from place to place with ease. Now it's your turn to decide- is this week's car Junk or Jewel?

SENIOR SPOTLIGHT: MALEAH MILLER

BY BAYLEI MCCLELLAND

Maleah Hope Miller was born on December 9, 1998. Her parents are Bill and Necole Miller and she has two siblings, Lakin and Kevin.

Maleah's favorite childhood memory is when her family went to South Carolina. She admires her family because they have always encouraged her to never give up and they are hard working.

Maleah is involved in EagleRock! and has loved performing and being able to do what she loves. She says that one of her favorite moments in high school was going to Wisconsin for EagleRock! Maleah's hobbies are singing, dancing, and spending time with her family and friends. Throughout high school, Maleah is proud of maintaining a good GPA.

When Maleah was younger she wanted to be a social worker. Her plans after high school are attending Kirkwood to study Social Work, then go to the University of Iowa to

continue her studies. In ten years, Maleah sees herself eventually living in Cedar Rapids and working as an Occupational Therapist. She believes that her empathetic and understanding qualities will help her accomplish these goals. In her lifetime, she would like to accomplish the following: graduate college, be able to support herself, and have a family.

Maleah says that she will miss the classmates that she's leaving behind and EagleRock the most after graduating. Erin Chalupa, fellow senior states, "Maleah is very small, but she has a big personality. She never fails to surprise me!" When asked what she would like to be remembered as once she graduates, she says, "Somebody who anyone

could come and talk to, somebody understanding." She leaves the future KHS seniors with the following advice: "Actually try and you'll get through it. It goes by faster than you think."

Recently, some Keota Ag students took some time in class to build projects for classroom needs. The Keota Senior Shop class, instructed by Mrs. Amelon, began building these projects at the beginning of the third quarter. They have just recently finished them up and placed them in the classrooms.

The teachers are grateful and overjoyed for all the hard work that the students put into these projects. These projects are just another reminder of what makes the Keota School so wonderful to be a part of.

We look forward to more of these kind acts as this school year progresses.

This week we are going behind the scenes to give you a view of the people who put the Eagle's Wing together. The Journalism class is made up of two sophomores and 11 juniors. Every week, each student is assigned to write an article about an event that is occurring in our school or student body. The Journalism class uses a program to put all of the articles on the page and the students are assigned layout every

other week. Students complete two drafts throughout the week for editing before the articles are published in the paper.

Baylei McClelland says, "I've really enjoyed being on the Eagle's Wing staff because of the creativity that we can put behind our articles. I also enjoy the team effort involved." The Eagle's Wing enjoys what they do and work very hard to bring everyone a good page each week.

ATHLETE OF THE WEEK

BY ERIN CHALUPA

This week's Athlete of the Week is Mikayla Beatty. Mikayla is a short distance runner on the Keota girls track team. This season, Mikayla is looking forward to meeting new people at the meets. Her ultimate goal for the season is to medal at one of the meets. As a freshman, Mikayla is just trying to improve her speed and get herself faster for the future. She also likes track because it gets her in shape for softball. Hopefully, you can catch Mikayla and the rest of the girls' track team this year at one of their meets! We send good luck and speed to Coach Stout and the girls for the rest of the season. Remember, run fast and turn left!
