JUNK OR JEWEL

BY JACE UPHOLD

This week's Junk or Jewel is J.D. Stout's 2006 Blue Dodge Chrysler Caravan. This hot rod van has 240,000 miles on it and a V6 engine. When I asked J.D. if he could name his van anything, he said, "I would name my van Jacob Wickenkamp." J.D. says his car gets 20 m.p.g. and he got it for free from the previous owner, Cole Stout. When I asked J.D. when he received the blue van, he replied, "today." J.D. says that the specialties to the car are the many dents from Cole. Good memories that J.D. has are riding with his dad, and the only bad memories are when he rides with Cole. Now it's time for you to decide, is this car junk or a jewel?

BLAST FROM THE PAST

BY DYLAN BURG DORF

HOW WILL SENIORS RESPOND THE SECOND TIME AROUND?

Each week, we ask a Senior the same question they were asked for the Question of the Week when they were in 7th grade. Let's see how their responses have changed over the years...

Cole Stout

Q: What is one thing on your bucket list?

7th:
A: "To play college basketball."

12th:
A: "To finish out my senior year of basketball and to win as many games as possible while having fun."

SENIOR SPOTLIGHT: ERIN CHALUPA

BY KYLEA TINNES

Erin Renae Chalupa, also called "Ernie" and "Earnest" by her dad, was born May 15, 1999. Her parents are Nate and Anne Chalupa. Erin admires her parents for their ability to put their problems and concerns aside to make sure their children are happy. Erin states, "I'm very thankful for that." Erin also has three siblings: an older brother, Ryan, who is 18, and twin brother and sister, Jace and Izzi, who are 9.

Erin has loved growing up on a farm outside of small town Keota. When asked what her favorite family memory or vacation is, she responded, "I don't really have a favor-

ite thing, because every time my whole family is together it's enjoyable and memorable." When she was younger, Erin hoped to one day be a babysitter. She says if she could still do that she would. As she grew up, she changed her mind and wanted to become a neonatal nurse, but ending up deciding she was scared of the negative parts of the career. Now after high school, Erin plans to attend Iowa State University to study Animal Science, because she grew up around farm animals and loves being around them.

When Erin was asked where she sees herself in 10 years she responded, "I see myself living on a farm with my husband and some type of Ag job, close to my parents, and maybe have one kid by then." The quality she has that will help her reach her goals is the fact that she is very optimistic. Kylea Tinnes, fellow KHS senior, thinks she'll reach her goals because Erin is "generally

a sweet person, is always there for other people, and she lets her faith shine." Three things Erin hopes to accomplish in her lifetime are finding a job she loves, marrying someone who loves God and farming as much as she does, and raising children on a farm close to other relatives.

While attending Keota, the accomplishment Erin is most proud of is her drive to get good grades. Erin has been involved in many extra-curricular activities, such as Speech, FFA, NHS, D.A.R.E., Silver Cord, fall plays, Student Council, Dance Team, SK Cheerleading, track, volleyball, and basketball. When asked which one was her favorite, she answered, "I love and benefit from all of the activities, but cheer is one of my favorites because I can be my positive and happy self with less pressure than other sports. I also love FFA because it has taught me so much about my favorite thing, Agriculture."

During high school, Erin has had many good memories, including cheering the boys on at State basketball. One thing Erin will never for-

get is singing and dancing around during business classes with Raigan, Mallory, and Kylea. She has also enjoyed all of her math classes, but the classes that have prepared her most for life have been Mrs. Amelon's Ag classes because her future revolves around Ag. Erin hopes she is remembered as a happy girl that was willing to help anyone.

Erin's advice to future KHS seniors is, "Don't worry, it will all be good in the end." We would like to wish Erin the best of luck in her future in Ag.

HIGH SCHOOL ATHLETE OF THE WEEK

BY COLE STOUT

This week's Athlete of the Week is Jack Eakins. Jack plays tight end and safety for the Cobras. He is looking forward to seeing how far they can go as a team. As a team, Jack says they are trying to improve on working together. He says their team motto is what they say when they break their huddle: "family." Jack's favorite part of football is playing under the lights. His ultimate goal would be to win a state title. One of his funniest moments is when Cole Brenneman brought a pizza oven to the Simpson camp. We look forward to watching Jack play the rest of the year and wish him the best of luck.

STUDENT COUNCIL EXCITED TO GET NEW YEAR STARTED

BY BAYLEI MCCLELLAND

Student Council is now underway with a new advisor and many fresh ideas. Mr. Jacobsen is the new advisor, putting a different spin on how the council is

running. This year the Student Council plans to do two Highway Cleanups, Anything Goes, and set up the dress-up days.

The Student Council is excited to keep bonding the student body and to have Keota

High School run with great leaders and fun activities. Student Council is going to be trying some new things this year, changing things as it goes along.

The first Highway Cleanup will be on Sunday, November 6th,

making it the first activity the Council will be doing.

As the year carries on, we hope to see great things from the Student Council and their new advisor!

FFA HAYRIDE

The Keota FFA Chapter kicked off the fall season with their annual hayride and cookout on Wed., Oct. 12. It was a chilly evening, but otherwise it was perfect weather for a hayride. The students ended their evening at the home of Dave and Michelle Hyman for a bonfire and hot dogs.
