CROSS COUNTRY DISTRICTS

BY FRANKIE JOHNSON

This year's conference cross country meet took place on Thursday, Oct. 11 at BGM High School. Keota's girls' team did well and earned fifth place overall. Paige Thompson had a ninth place finish and therefore medaled. Frankie Johnson raced well, coming in 20th place overall. Jenna Jaeger ran a good race too, coming in 37th and beating her personal record. Bailey Sieren finished not far behind Jenna, earning a 39th place finish and also setting her new personal record for best time. The team's newest member, Nikki Steege, finished and allowed the girls to have a team score. Lone high school boy runner, Jayden Lawson, had an impressive finish, coming in at 19:54. He finished 18th individually and broke his personal time record by almost an entire minute. Cross country Districts take place on Thursday, Oct. 18. Best of luck to the team on the final regular season meet. Go Eagles!

JUNK OR JEWEL

BY PRESTON MCDONALD

This week's Junk or Jewel features Cooper Sieren. He drives an '03 black Chevy Silverado 1500 with a 5.3 V8 engine. His Silverado gets 14 miles per gallon. His presets are 100.3, 94.1, 101.5 and 100.7. He bought this truck from his grandpa for around \$1,000 last winter. His favorite thing about the truck is "it gets the job done." He says he can fit six people in his truck. The top speed is 97 miles per hour. His best memory was pulling Fords out of ditches. His worst memory was blowing out a tire. Cooper has previously owned one car. He travels most to school and Washington, and his most frequent passenger is his brother. Now it's your turn to decide. Is Cooper's Silverado junk or a jewel?

JUNIOR HIGH ATHLETE OF THE WEEK

BY TREY CARLSON

This week's Athlete of the Week is Nicole Clarah. Nicole plays volleyball, and when I asked Nicole what position she plays, she told me

that she plays all around. When I asked Nicole what she was looking forward to this season, she told me she is looking forward to improving her jump serve. Another thing Nicole wants to improve on this season is her spiking. Nicole's ultimate achievement in volleyball would be to master her jump serve. Nicole's favorite saying while playing volleyball is, "Keep your butt down." When I asked what she likes most about this sport, she told me that she likes spiking the ball on the other team. One funny moment that she has had is when they screamed their cheer loudly but accidentally screwed it up. We wish Nicole the best of luck on the rest of her season.

ELEMENTARY SPOTLIGHT

BY PAIGE MINARD

Brynn Conrad is a fourth grader at Keota Elementary School. Brynn has an older sister Reece, who is in the fifth grade, and a younger sister

Mia, who is in the second grade. During the school year and summer Brynn enjoys going home and playing with her sisters.

This past summer Brynn and her family went to a resort in Minnesota. She enjoyed swimming, shopping, and seeing all the fish. Although Brynn enjoyed her summer, she prefers the colder weather and is looking forward to Halloween and Christmas. Brynn is planning to dress up as SpongeBob this Halloween and hopes to get lots of candy.

Brynn enjoys PE, math, and reading throughout the school year. Brynn is a very good reader and read over 945 minutes this summer. Brynn's favorite thing to do during recess is play Foursquare with her friends. Brynn's best friend, however, is her life long companion and dog, Maggie. Brynn likes going home after a day of school and playing with or walking Maggie.

Congratulations to Brynn on being selected as The Eagle's Wing elementary student of the week!

FFA KICKS OFF ANNUAL FRUIT SALES

BY KOLTON STRAND

It's that time of the year again! The FFA is selling fruit, meat, and cheese. This year they have a new product, beef jerky. Their goal this year is to sell at least \$500 each, which earns members the opportunity to attend an industry tour. Members who sell \$750 in products get to pick an officer of their choice to get a pie in the face. Fruit sales are a big thing for the FFA chapter, because it helps fund all of the trips and activities they do throughout the year. The deadline for orders is Nov. 9. To place an order, please contact the school to send an FFA member your way. All orders should be in by the first week of December.

EagleRock! got to show off their new routine and new outfits for the first time on October 17 at their annual Parents' Night concert. It had been four years since EagleRock! has gotten new outfits, so it is very exciting for the

group. The concert started off with seven members performing solos. After solos were finished, EagleRock! performed "Taking Care of Business" and invited former members of EagleRock! to sing and

dance with them. This is a fun and interactive way to start off the performance. For the normal competition routine this year, the group is performing the songs "Faith" by Stevie Wonder, "Dream Small" by Josh Wilson, "Bad Case

of Loving You" by Robert Palmer, and "I'm Still Standing" by Elton John. Their first performance went well and they had a very kind audience. We wish EagleRock! the best of luck as they head into competition season!
