ON THE JOB TRAINING

BY TRISTAN SPHERD

Along with new faces this school year, Keota High School has a new class offering. Keota Principal, Mr. Hendrich, has decided to bring back On Job Training (OJT) for students who wish to gain more work force experience for the career they wish to go into. However, there are some requirements students must achieve in order to stay in OJT. If these requirements are not achieved, then students will have to change to regular classes. Students must keep their grades above passing and must turn in a work evaluation sheet signed by their employer every two weeks. If these requirements are met, students are allowed to leave after fifth hour to get lunch and go to work for the remainder of the school day. If students are reported not going to their job, then they might also be removed from OJT.

This semester, four students are taking advantage of this opportunity. When I asked Kolton Strand what he liked best about OJT he said, "Getting more experience in the field of work I'm interested in." All in all, this new class is a great opportunity for students to get hands on experience in the work force.

KEOTA HIGH SCHOOL ELECTS 2018-19 STUDENT COUNCIL

BY FRANKIE JOHNSON

The study body recently voted on this year's Student Council members. To be included on the ballot, students had to complete and submit an application in advance. Seniors who were interested in running for president were required to give a speech to the student body as well. Congratulations to Jillian Schulte, who was elected president. Pictured above are the 2018-19 Keota High School Student Council members. From left to right, they are: (back row) Grant Garman, Dakota Detweiler, Max Johnson, Brady Duwa, JD Stout, Taylor Conrad, Taylor Kindred, and president, Jillian Schulte; (front row) Jaime Schulte, Brianna Duwa, Frankie Johnson, Callie McNurlen, and Kendall Wilson. Not pictured: Addison Sprouse, Bailey Sieren, and Colten Clarahan. The Student Council advisor this year is Ms. Garren. Congratulations to all of these students on being elected to the KHS Student Council.

ATHLETE OF THE WEEK

BY PRESTON MCDONALD

This week's pre-season Athlete of the Week is Carson Sprouse. Carson is looking forward to trying to make

the Varsity team for basketball this year. He wants to work on "Jelly Fam layups" and "alley-oops." Carson's ultimate goal in basketball is to go to State. His motto is "Don't hate the player, hate the game." He played shooting guard and point guard last season. His favorite part about basketball is "the high action and run and gun." His favorite memories playing basketball are the bus rides to away games. We wish Carson the best of luck this season.

JUNK OR JEWEL

BY KOLTON STRAND

This week's Junk or Jewel is Tristin McClelland's 2005 Ford Focus. It has 130,000 miles and has a 2.3L 4-cylinder for an engine. The color of the car is red with a brown interior. He is unsure about the miles per gallon, but he can get to and from Washington eight times before he has to fill up. His favorite thing to listen to is Spotify on the aux cord. He bought his car last year for \$2,000. When asked what he likes most about his car, he said he likes the two 12-inch subs. Tristin's car can hold up to five people and its top speed is 110. His best memory in his car is turning up the radio and "bumping with his subs" on his way to school. His worst memory is driving in the dark when it was storming really bad and he couldn't see the road. Where he travels most is to Washington. Now it's time for you decide if this week's car is a junk or jewel.
