KEOTA HIGH SCHOOL STUDENT NEWSPAPER

STUDENT COUNCIL FOOD DRIVE

By MAKENZIE JACKSON

On Monday, Nov. 1, Keota High School's Student Council started their annual food drive to get non-perishable foods to the United Church of Faith food pantry.

The entire high school participates in bringing in non-perishables to donate for the food drive. They even have a point system where the Eagle Advisory class that brings in the most non-perishables in the point system gets to have a pizza party.

The food drive will last from Nov. 1 to Nov. 19. All the non-perishables that Keota High School brings in will go straight to the United Church of Faith food pantry, which will be open on Sundays from 10:30-11:30 a.m. for people to get some of the things they may need.

To donate to the food drive, send non-perishable food items with a student to school and they can take it to their Eagle Advisory Teacher. The Student Council appreciates your support.

WHIP OF THE WEEK

By DREW SIEREN

This week's Whip of the Week is Mr. Week's 1999 Isuzu Hombre. It is a 2.2 liter 5 speed and it only has 130,000 miles on it. It is a bright red truck with a fancy grey interior. It surprisingly gets 26 mpg and it only cost him \$900 when he bought it. Weeks got this truck right as COVID happened back in March of 2020.

This truck has a top speed of 85 miles per hour and has a new radio and a vinyl cover for the bed of the truck. Four people can safely fit in his truck, but ten people can fit unsafely. This truck has been on a few road trips, the longest one being to Minnesota. Weeks has had some good and bad memories in this truck, with the worst memory being stranded at 2:00 a.m. in the middle of nowhere. His radio presets are 94.1, 100.7, 102.5, and 105.7. The most common place Weeks takes this truck is to Sigourney.

Now it's time for you to decide if "Ol' Red" deserves to be "Whip of the Week."

KHS SENIOR SPOTLIGHT

Grant glides into the future

By COLTEN CLARAHAN

Grant Jeffrey Garman was born on July 3, 2003, to his parents Jeff and Carrie Garman. Two years after Grant was born, he received a little sister, Taylor Garman. When asked what Grant admires most about his parents and other family members, he replied that he likes how close both of his families are and how they are also hard working people. One of Grant's favorite childhood memories includes driving to Florida and seeing the

different states and their views. Grant's favorite birthday memory was when he went to the Kernels game and he got the opportunity to throw out the first pitch.

Grant said his favorite elementary teacher was Mr. Hill because "He was nice and I liked to give him a hard time about the Cowboys." While in elementary school his favorite memory was playing tackle soccer and trying to not get in trouble by the teachers.

Throughout his time at Keota High School, Grant has participated in many extracurricular activities, including basketball, EagleRock, drama/play, speech, baseball, band, and choir. Out of all of these activities, Grant says that his favorite would have to be EagleRock because Mrs. Edwards spoils them with food. Mrs. Edwards also happens to be Grant's favorite teacher because "she is awesome and chill."

When he's not participating in sports or any extracurricular activities, Grant's favorite hobbies and interests include showing

cattle, fishing, and hunting. He loves showing cattle because "It's fun to work with and build a bond with your animal." Grant feels that developing time management skills throughout high school has helped him keep a strong work ethic.

After graduating from KHS, Grant plans on attending Kirkwood Community College to study Geospatial Technology. He chose this major because he enjoys agriculture and they have a good agriculture program. In ten years, Grant sees himself being successful and living in Keota. Some qualities he possesses that will help him achieve these goals include that he is hard working, outspoken, and he is determined for success.

One accomplishment that Grant is the most proud of is getting fourth overall in the market beef class at the county fair. One of his favorite high school memories is playing ping pong in the shop.

When classmate AJ Sheetz was asked what he will miss about Grant, he said,

"The conversations we have about our activities."

Grant said that after graduating from Keota High School he hopes to be remembered as being "very outspoken about my conservative views." When asked what three things he wants to accomplish in his lifetime he said, "I want to go to a Boston Celtics game, buy a really nice car, and I want to grow Garman Show Supply."

Grant also says that some advice he has for the younger kids is to never take for granted how lucky you are that you go to Keota.

We wish Grant the best of luck at Kirkwood next year!

10 FACTS ABOUT KHS JUNIOR MACIE MCDONALD

By TAYLOR KINDRED

- #1 My favorite food is ice cream.
- #2 The hobby that I could never give up is racing.
- #3 My favorite drink is red yummy tummy Bug Juice.
