KEOTA HIGH SCHOOL STUDENT NEWSPAPER

ATHLETE OF THE WEEK

By TAYLOR KINDRED

This week's Athlete of the Week is sophomore Evan Vittetoe. Evan is the SK Cobras' starting offensive tackle and also plays as their defensive end. This season Evan's goal is to get back to the Dome and win the State Championship. Evan says that so far the Cobras' season has been really good, as they are undefeated. His favorite thing about football is having such a fun team to play with.

Although Evan plays defensive end, he has managed to score his first ever touchdown of 25 yards this year. Evan also is sixth in Class 1A for sacks this season, with a total of 5.5 sacks and 12.5 tackles so far. When asked what his ultimate achievement in this sport would be, Evan responded with, "To win a state championship."

Evan's funniest football memory this year is this summer when their team took a trip to Camp Dodge. Teammate Colten Clarahan had this to say about Evan: "Doyle is an animal and a beast on the field." Evan also occasionally contributes to the team while playing on special teams. When asked if he had any sayings, Evan said, "We are S.K."

Congratulations to Evan on being selected as our Athlete of the Week and good luck on the rest of your season.

WHIP OF THE WEEK

By ANTHONY WESTENDORF

This week's Whip of the Week is Dalton Dodd's 2002 Ford Explorer. It is blue with a grey two tone, and it has a grey interior. For an engine, this Explorer has a 4.0 liter V6 with 91,882 miles on it. He gets a whopping 11 mpg when traveling in this vehicle. He says "it's classified" when asked how fast this car can go. His radio presets are 96.5, 96.7, 98.1, 103.7, 104.3, and 104.9. Unfortunately, he has no specialites on the car. Dalton says the previous owner was a lady he did not know. His parents paid \$31,000 for the car. He got the car in February of 2019 and it is the first car he has ever owned.

What Dalton likes about the car is it drives well in the snow. If he had to name his car it would be "Blue" because it's blue. His best memory is driving in the snow, and he doesn't have any bad memories with it. He mostly drives to Casey's. Aiden Anderson and Caden Sprouse ride with him the most. He has never gone on any road trips. Dalton loves his Ford Explorer and he does not want to get rid of it anytime soon.

KHS SENIOR SPOTLIGHT

Dakota is diving is way into the world

By ANTHONY WESTENDORF

Dakota Ray Detweiler was born on May 12, 2004. He is the son of Kathi Scott and the late Ryan Detweiler. Dakota's favorite memory as a child was tractor pulling because he enjoyed doing it and making memories.

Dakota wanted to be a race car driver when he was growing up, because he thought race cars were cool. His favorite teacher in elementary school was Mr. Hill because Mr. Hill taught

math and he liked math at that time. Dakota's favorite family tradition is during Christmas time because he gets to see his family and spend time with them.

Dakota has been involved in many extracurricular activities while in high school. He played basketball and baseball, and he was also involved in EagleRock, band, choir, and the plays and musicals. Dakota's favorite sports memory so

far was the basketball game at Tri-County his junior year.

His favorite extracurricular activity would be FFA. Dakota believes that Keota High School's agriculture classes with Mr. Jamison is what makes our school stand out from other schools in the area. He will miss playing ping-pong in Mr. Jamison's room the most after he graduates.

Dakota's future plans are to go to Kirkwood and major in Business. Dakota has been working at Fareway for five months and plans to continue to work for Fareway after he graduates from high school. His responsibilities at Fareway are to serve meat to the customers and stock the front counter.

After he graduates, Dakota hopes to be remembered as someone who was always having a good time in any situation. His favorite way to spend his free time is playing video games; his top three are Apex Legends, Forza Horizon, and Call of

Duty WarZone. He likes to play these games because he gets to play with his friends. Dakota says that the three words that best describe him would be persevering, outgoing, and determined. His advice for future seniors of Keota is "turn your homework in on time."

Dakota's high school science teacher, Ms. Hobbs, says what she will miss the most about Dakota when he graduates is him cooking pancakes in class. Dakota has been going to Keota for all of his life and we will miss him greatly. We wish him the best of luck in his future endeavors.

MYSTERY PHOTO

By TAYLOR KINDRED

This week's Mystery Student has been attending Keota since preschool. He has blonde hair and blue eyes. He also has three siblings, one brother and two sisters. He says his best feature is his beautiful straight teeth, or his work ethic. His worst habit is oversleeping. He also can't stand when people smack their lips while they eat. In school he is involved in golf, basketball, baseball, and FFA.

Do you know who this week's Mystery Student is? If so, stop by Mrs. Conrad's room to take a guess and possibly win a prize!
